

SURREY INTER-LEAGUE TOURNAMENT

(Percy Johnson Cup)

SUNDAY 7TH MAY 2000

The Surrey Inter-League Tournament took place at the Guildford centre, on Sunday 7th May.

The original concept was to have two groups of four teams, with the Winners & Runners-up playing in a K/O, through to the Final. However, due to only seven teams willing to play and Sutton not turning up (late e-mail received, confirming withdrawal), only six teams were left. It was then felt that two groups of three teams, whereby only two matches could be played at any one time, utilising the four available Tables, giving a total of nine matches, would devalue the Tournament. Also, some teams would only play two matches, others four. Therefore, it was decided to hold a Round-Robin (giving a total of fifteen matches), each team playing five matches, with the Winner of each match being the first to four wins, out of the seven games played. One point was given for a win.

After 9.5 hours play, Wandsworth 'A' was the Winner and Thames Valley the Runner-Up. Two very close games – Wandsworth 'B' vs Byfleet 'B' (4-3) and a similar result by Thames Valley vs Leatherhead gave second place to Thames Valley.

For the teams's and players's interests I have attached copies of the individual matches.
